			Years R-2 Forest Schools During Golden time (No fee)	

All clubs include 10 sessions in total as next term is 12 weeks long. Clubs begin on the week beginning 9th January. **Please sign up for clubs in the school entrance hall before the end of term.** We will send confirmation of the clubs your child can attend and a bill for the relevant ones in January – we will set up a parentpay facility in January. Please note that places will be filled on a first come, first served basis. We are aware that there are costs involved in the clubs, but having listened to your comments, we have tried to include a range of activities that the children have requested and a range of costs to enable inclusion. If you need support in funding a club, please do speak with me or Mrs Scarisbrick – we may be able to help. Thank you! Mrs Commins
